About Grill 41

Grill 41 is a full service caterer serving Boston's South Shore and the greater Boston area.

We specialize in barbecues and clambakes and our catering menu features a wide variety of grilled specialties, classic comfort foods, barbecue items, and Italian, Mediterranean, and Asian-inspired dishes.

We prepare virtually all of our menu items from scratch, including our sauces, spice rubs, and marinades, and we use fresh, high quality ingredients, like USDA Choice beef, Grade A cage-free chicken, and the freshest produce, meats, and seafood available.

We also pride ourselves on our great customer service. Each of the events that we cater is important to us and we make it our goal to provide our customers with the best food and service possible. Whether you are in the mood for a backyard barbecue, clambake, tailgate, dinner party, corporate outing, or special occasion, Grill 41 will be sure to make your event a memorable one.

For more information about Grill 41 or to have us cater your next event, please contact our chef & owner, Joe Hiffa, via e-mail at catering@grill41.com or at 781-223-2137.

About Our On-Site Catering Service

All of our Barbecue, Specialty, and Clambake Packages include disposable plates, flatware, and napkins for your event in the menu price.

We typically grill on-site for our events and we generally plan to be on-site for about 4 hours during your event, including set-up and breakdown time. Delivery-only options sometimes are available upon request.

We charge a minimum of \$328 for our on-site catering service, which includes at least one chef and one catering assistant who will cook on-site during your event and set-up, maintain, and breakdown your self-service buffet. We also provide buffet tables and buffet tablecloths, disposable chafing stands, sternos, and serviceware for your event as part of our on-site catering service. Alternative service options, including full-service buffet or table service generally are also available upon request. Additional on-site catering charges may apply for additional staffing, service, rentals, or other requirements, depending on the details of your event.

Please note that all of our menu offerings & prices are subject to change at any time. Please also note that our menu prices and on-site catering service charges do not include additional charges for Massachusetts meals tax that may apply. All menu prices are based on a 50 person minimum. Additional charges may apply for smaller parties.

*Before placing your order, please inform your server if a person in your party has a food allergy.
